

Starlink[®] HP Setup

For Mobile/Portable service, visit:
www.starlink.com/mobility

Note: SLC+ will work anywhere with Starlink coverage
(including anywhere on land and ocean)

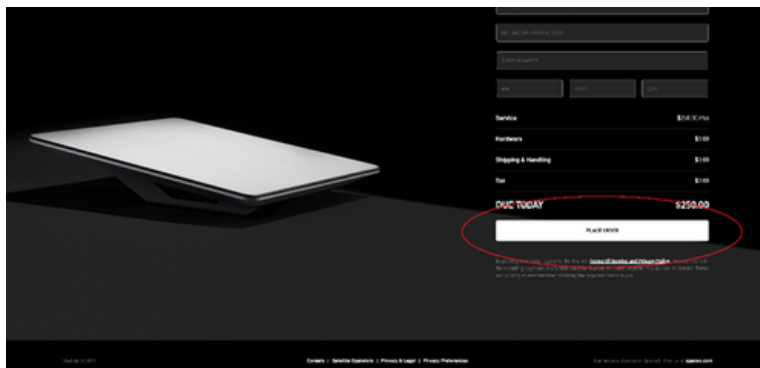

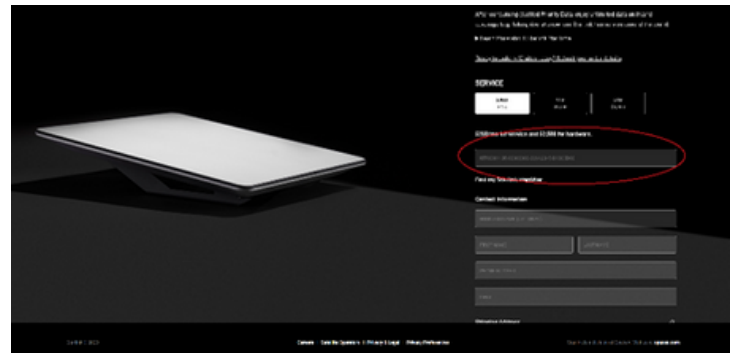

1. Enter the billing address into the maritime address block.

2. Select your desired data plan.
3. Check the box for "I have my Starlink."

4. Enter your Starlink Identifier.

-Kit Serial Number found inside the Starlink Kit.
(ex. KIT00000000)

5. Complete Contact and Billing Information and click "Place Order."

*Note: It is recommended you Opt In to additional Mobile Priority Data to maintain network priority, otherwise your data speeds could be lowered during an emergency deployment.
